## The Right to Education Covers All Ages

Empowering Individuals, Transforming Societies

### Become an official campaign partner!

We invite all those committed to promoting lifelong learning - governments, civil society organizations, education and learning institutions, and the private sector - to become partners of the campaign.

#### → How to contribute

- Feature the campaign on your homepage.
- Create a campaign subpage on your website with your resources.
- Feature the campaign via your communication channels and newsletters.

#### → Your benefits

- Your logo on the main campaign website, along with your commitment to promoting lifelong learning opportunities.
- A link from the main campaign website to your campaign subsite, featuring your content and resources.
- Your logo in campaign exhibitions.
